27. April 2000

KF Teflon Bellows

EVAC is now offering Teflon Bellows for KF Flanges. Featuring highest chemical resistance and fiberglass re-inforced flanges for long life-time these bellows can be used in a variety of applications including Vacuum Technology, Laboratory, Chemistry, Medical, Semiconductor Processing.

Sizes available: NW 10...63

Our advantages

- Re-inforced flanges
- Custom bellows available
- Vacuum or pressure
- Highest chemical resistance
- Minimal leakrate (made from one piece of material)
